

NetID in the SUNYSB.EDU Domain

When starting up your computer or logging onto the SUNYSB.EDU domain you will start with this screen:

Windows XP:

*Your screen should look similar, if not the same as the above image.

Windows Vista:

*Your screen should look similar, if not the same as the above image.

*Underneath Password, it should say - Log On to: SUNYSB.EDU (This is the Domain you are logging on to)

Use your NetID and NetID Password to log on to your computer.
All rights and access remains unchanged.

If you have forgotten your NetID password you can now go into SOLAR and change it.
