

## What's My NetID and NetID Password?

Go to the **NetID Maintenance** page in SOLAR to view your NetID, set your security question and to change your NetID password.

[www.stonybrook.edu/solarsystem](http://www.stonybrook.edu/solarsystem)

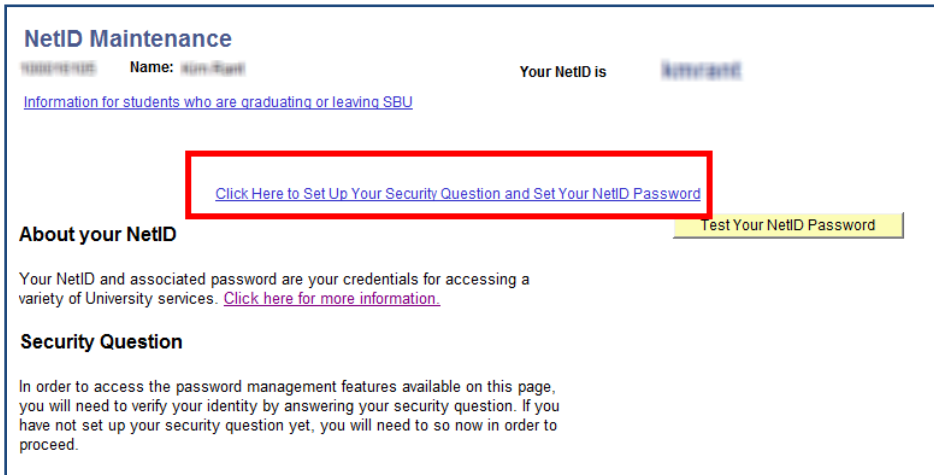

From the SOLAR homepage, click **NetID Maintenance** under **Security and Personal Data**.

## New Users: Set Security Question and Password

You will find your **Net ID** displayed on this page.

First you must set up your security question and response. Then you can set your NetID password.

**NetID Maintenance**

Name: [REDACTED] Your NetID is [REDACTED]

[Information for students who are graduating or leaving SBU](#)

[Click Here to Set Up Your Security Question and Set Your NetID Password](#)

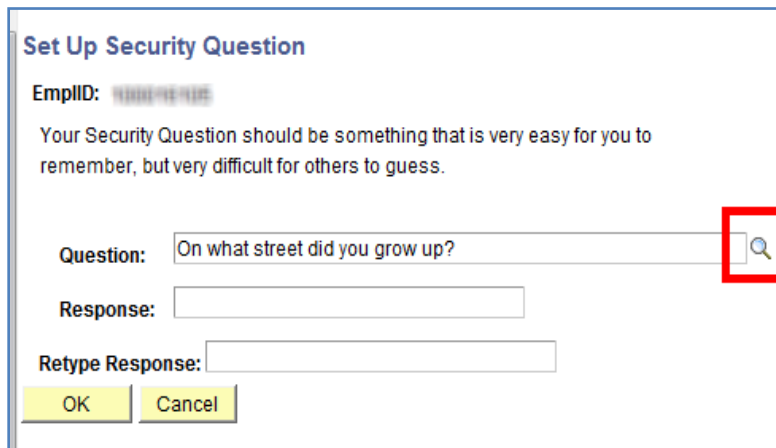

**About your NetID** Test Your NetID Password

Your NetID and associated password are your credentials for accessing a variety of University services. [Click here for more information.](#)

**Security Question**

In order to access the password management features available on this page, you will need to verify your identity by answering your security question. If you have not set up your security question yet, you will need to do so now in order to proceed.

Click the link on this page.

**Set Up Security Question**

EmplID: [REDACTED]

Your Security Question should be something that is very easy for you to remember, but very difficult for others to guess.

Question:  

Response:

Retype Response:

OK Cancel

Click the magnifying glass and select from a list of standard questions or enter your own **question**.

Type your **response** in both fields. Don't worry about the change to upper case. Responses are not case sensitive.

Click **OK**.

Make sure that the question and response are easy to remember but difficult for others to know!

This will bring you back to the **NetID Maintenance** page where you will now see three yellow buttons.

**NetID Maintenance**  
Name: [Redacted] Your NetID is: [Redacted]  
[Information for students who are graduating or leaving SBU](#)

**Change NetID Password**  
**Change Your Security Question**  
**Test Your NetID Password**

**About your NetID**  
Your NetID and associated password are your credentials for accessing a variety of University services. [Click here for more information.](#)

Click **Change NetID Password**.

**Set NetID Password**  
Name: [Redacted] NetID: [Redacted]

To set your NetID Password:  
Enter your desired password in the New Password box  
Re-type your desired password in the Confirm Password box  
Click the Submit Password Change button to finish

Passwords are case-sensitive  
"MyPassword" is not the same as "MYPASSWORD"

\*New Password:   
\*Confirm Password:

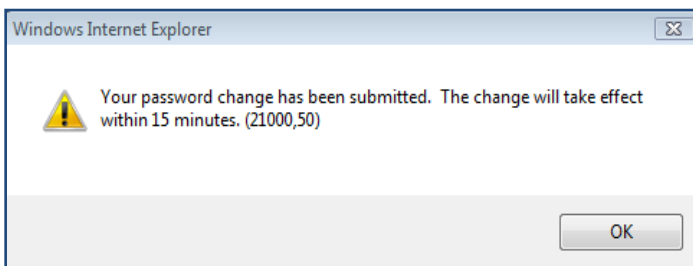

**Submit Password Change**

[Return to Account Maintenance](#)

Enter your new password twice.

Click **Submit Password Change**.

**Passwords must:**  
Be at least 8 characters long  
Contain at least one number and one letter  
Not include commas  
Are case sensitive  
Be different than your last 5 passwords  
Not be changed more than every 2 hours

This confirms that your password was successfully submitted.

**Password changes can take up to 10 minutes to take effect.**

Click **Return to Account Maintenance** to go back.

## Existing Users: Change/Test Your Password

You will find your **Net ID** displayed on the **Net ID Maintenance** page.

**NetID Maintenance**  
Name: Kim-Ryan      Your NetID is kimr.ryan  
[Information for students who are graduating or leaving SBU](#)

[Click here to change your NetID Password.](#)      [Test Your NetID Password](#)

**About your NetID**  
Your NetID and associated password are your credentials for accessing a variety of University services. [Click here for more information.](#)

**Security Question**  
In order to access the password management features available on this page, you will need to verify your identity by answering your security question. If you have not set up your security question yet, you will need to do so now in order to proceed.

If you are unsure about what your NetID password is, click the **Test Your NetID Password** button and enter a password to test it.

If you would like to **change your NetID password** click the link on this page.

Question: On what street did you grow up?  
Response: ●●●●●●●  
[Verify](#)

Before you can change your password you must enter the correct **response** to your security question and click **Verify**. Responses are not case sensitive.

If you do not remember the response to your security question you must submit a trouble ticket by clicking the **Report a Problem** link on the SOLAR login page ([www.stonybrook.edu/solarsystem](http://www.stonybrook.edu/solarsystem)). Your security question will be cleared out and you can start over by setting a new one.

After you enter the correct response you will see the options to **Change NetID Password, Change Your Security Question** and **Test Your NetID Password**.

To change your password click **Change NetID Password**.

Enter your new password twice.

Click **Submit Password Change**.

**Passwords must:**

- Be at least 8 characters long
- Contain at least one number and one letter
- Not include commas
- Are case sensitive
- Be different than your last 5 passwords
- Not be changed more than every 2 hours

This confirms that your password was successfully submitted.

**Password changes can take up to 10 minutes to take effect.**

Click **Return to Account Maintenance** to go back.

## NetID Deactivation

Your **NetID** is active as long as PeopleSoft (SOLAR) shows you are either:

- Registered for classes
- Eligible to register for classes
- Employed by the University

You will see the following message on the **NetID Maintenance** page if your **NetID** is about to be deactivated:

### NetID Maintenance

XXXXXXXXXX      Name: William Perreault      Your NetID is

[Information for students who are graduating or leaving SBU](#)

**Based on current data, your NetID will be deactivated on 08/24/2010.**

Last Class Meeting:      12/21/2009      Latest Enrollment Date:      02/05/2010

[Click here to change your NetID Password.](#)
